MEDICAL CERTIFICATE UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India, is as follows:—

Certified that I have carefully examined *Vinikramanjan*, son of *Abingachar*, a *Sheikdar* in the *City Municipal Commission*. His age is, by his own statement, *60* years, and, by appearance, about *60* years, I consider *him* to be completely and permanently incapacitated for further service of any kind (or in the Department to which he belongs,) in consequence of *old age, anæmia, & debility*. His incapacity does not appear to *me* to have been caused by irregular or intemperate habits. (If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly, and the following addition should be made.) of opinion that *he* is fit for further service of a less laborious character than that which he has been doing, (or may, after resting for months, be fit for further service of a less laborious character than that which he has been doing.)

✓ Proceedings of the Dewan of Mysore
No 1919-20-179 dated 8th July 1887
regarding the rates of pensions to be
adopted for the employes of the City
municipality.

Resolution — The main object of the
municipal Commissioners in introducing
into this municipality the Pension Scheme
was to secure the services of good and
trustworthy men to the Office establishment
and more particularly to the Revenue
Collections and account branch, and they
are of opinion that the said scheme
should not be made applicable to
every municipal servant, as otherwise
it will prove a heavy burden on the
municipal resources. The Commissioners
would now resolve that the present
applicant Venketramanna who belonged
to the Collection branch be recommended
to Government for an invalid pension.

pension according to Civil Pension
Code, and they further resolve that
a list showing the rank or designation
of such officials as in their opinion
are to be allowed the privilege of pension
under the Pension Code be laid before
the next Board for approval and
